FACE FULL OF

ed Ashamed to Go Out. Cuticura Soap and Ointment Healed.

63 Morrell St., Brooklyn, N. Y.—"Pimpler and blackheads began to come on my face. A few weeks later my face was full of them. They looked like big blotches. The tiching and burning that the pimples caused me would be hard to describe. It was almost unbearable and I was so distingured that I was ashamed to go cut. I could hardly sleep at night they hurt so. "I tried many remedies but all falled to help. I had had the trouble for about three years when I saw a Cuticura advertisement in the paper, and started to use them. I was surprised to see the result. In a month my friends could hardly recognize me I was so much changed. Bufore going to bed I would bathe my face in warm water with Cuticura Soap, dry it and put the Cuticura Ointment on. Cuticura Soap and Ointment healed me in three months." (Signed) Hyman Novins, August 7, 1914.
